

# STUDENT TEACHING AT TPC

## Overview

The Philadelphia Center offers exceptional opportunities for students seeking to complete their certification requirements by student teaching in an urban environment.

Philadelphia's dynamic public and innovative charter schools provide rich and diverse options to aspiring teachers.

Our 16-week program guarantees a minimum of 15 consecutive weeks of student teaching. You'll be placed in classrooms satisfying elementary (K-6) and secondary (5-12) education certification. Possible teaching subjects may include math, languages, social studies, science, physical education, music, and visual arts.

## TPC Offers

- Unique K-12 student teaching opportunities
- Supportive and collaborative supervision
- Portfolio development
- Advising
- Optional Senior Seminar
- Making connections between urban education and other social, political, cultural, and economic institutions that impact and intersect with public education.
- Exposure to graduate schools and students from other colleges and universities
- Living, working, and experiencing life in Philly

## When

Student teaching is offered during our Fall and Spring Semesters. Please refer to our academic calendar for details.
