APPLICATION FOR ADMISSION – PART III

Letter of Recommendation for: _____

Thank you for recommending this student for The Philadelphia Center's summer program, Learning Work.

Ideal candidates for the program will be juniors or seniors who are unable to fit a semester of off-campus study into their academic schedules or students who have already spent a semester off-campus. Applicants should be seeking to make career connections prior to their upcoming graduation. Due to time constraints, unlike our 16-week program where students have the opportunity to research possible placement sites and interview with potential placement supervisors, students will be pre-placed in their internships. Additionally, rather than exploring a variety of housing options and living independently throughout the city, housing will be provided.

If you wish to obtain more information about our program, please ask the applicant, see our campus representative, or contact us directly.
(Use additional pages as needed)

1.) In what capacity do you know this student?

2.) What attributes does the student possess that encourage you to recommend him or her?

3.) Does the student have any personal or academic issues that would cause you to have reservations about recommending him or her?

4.) What else would you like us to know about this student?

*Please return this recommendation to the applicant, The Philadelphia Center campus representative, or the Off-Campus Study Office.
Thank you. (Please Print)*
